Personal Care Assistant (PCA) HYBRID Learning

Combination of online classroom and hands on skills lab! More convenient and use any device! Best experience is on a laptop but you can use a phone or tablet. 24 Hour Tech support available. Email Instructor for any issues regarding the classroom online portion.

The DMAS guidelines Personal Care Aide training program must give a minimum of 40 hours of nursing aide training and be supervised and taught by a RN who is currently licensed to practice in the Commonwealth of Virginia. This curriculum is over and beyond DMAS guidelines. This course is a complete course that uses a textbook and has an online classroom portion. You MUST pass the online portion to attend the 8 hour skills lab.

Graduates of this PCA program are authorized to provide personal care services to recipients in home environments, Assisted Living facilities along with other healthcare opportunities. The PCA class is also an opportunity for someone who is interested in the Healthcare field as an entry point without a high cost investment. This class provides a good foundation to the student desiring to pursue a nursing career in the future. **Certificate of Completion awarded after exam and skills tests successfully passed!**
